

**THE UNIVERSITY OF ADELAIDE  
THE BAILLIEU SUPPLEMENTARY RESEARCH SCHOLARSHIPS  
RULES**

Whereas the University has received a sum of money under the provisions of the Repatriation Fund (Baillieu Gift) Act, 1937, for the purpose of establishing and maintaining in perpetuity within the University a scholarship or scholarships, the following rules are hereby made:

1. The scholarships shall be known as "The Baillieu Supplementary Research Scholarships".
2. One supplementary scholarship shall be awarded annually subject to available funding, and the value of the supplementary scholarship shall be \$10,000 per annum (tax free), or such other sum as the Research and Education Development Committee may from time to time determine, and shall be paid to the scholar as a fortnightly stipend.
3. Each scholarship shall be tenable for three years. Tenure is subject to satisfactory progress, determined each year through the Annual Review of Progress.
4. Australian Citizens, Permanent Residents or NZ Citizens who are graduates of the University of Adelaide, are enrolled within the University as a full time higher degree research candidate in medicine, law, commerce, economics or architecture, and are in receipt of a major scholarship, shall be eligible to apply. The supplementary scholarship shall be awarded to the highest ranking eligible candidate in the Major Round, in one of the above mentioned disciplines.
5. Where an eligible applicant is the lineal descendant of an Australian soldier or sailor who died or was blinded or was totally and permanently incapacitated as a result of his service in World War I, preference shall be given to that candidate.  
In determining whether an applicant shall be given preference under this clause, the Committee shall be guided by the provisions of the Repatriation Fund (Baillieu Gift) Act 1937.
6. The procedures for assessment of progress for continuing students are to be as practised for Australian Postgraduate Research Awards and University of Adelaide Scholarships for Postgraduate Research, as administered within this University.
7. All awards shall be made by the Research and Education Development Committee.
8. If in any year a scholarship is not awarded, such scholarship may be awarded as an additional scholarship in any subsequent year.
